

New Services Launching at The Green Association

Dear Resident,

Ready for a better communication experience? Breezeline is launching new services at The Green Association. Your package will include streamlined features you can count on, like superior connectivity and communication with Breezeline Internet and Breezeline Stream TV.

Benefits of High-Speed Internet

- Consistent, reliable connection even during peak usage times
- Reliable service directly to your unit
- High-speed Internet

Benefits of Breezeline Stream TV

- All your entertainment in one place, on any device
- Record and watch shows from anywhere with Cloud DVR
- Search across live TV, On Demand, Streaming apps, and recordings

All residents will enjoy the following new services:

- Variety+ Package with over 150 channels including local broadcast and your favorite cable channels includes High Definition
- Two (2) Stream TV Boxes including Cloud Digital Video Recorder (DVR)
- Select 200 Mbps Internet Service with Home Wifi - includes equipment
- One (1) Wireless Gateway
- Two (2) WiFi your Way Home™ Extender, powered by Plume® HomePass

Please contact Customer Care at 855.599.4700 to schedule your standard no-charge upgrade installation of new included services and equipment. The standard no-charge equipment installation will be available until May 28, 2025.

Breezeline is built for you – we look forward to serving you and your community.

Breezeline Customer Care Team
